<https://conferences.udel.edu/camps-summer-housing/>

Check-in and check-out dates must be strictly adhered to as the custodial staff must get in and clean the room for the next guest checking in.

You will NOT need a UD ID. Upon arrival, all guests will check in at the Specified Check in location. As a Rule, check-in begins at 12p.m. **unless arrangements for an earlier time have been made and approved by the housing manager in advance (fees applied).** You will get a room key and a key FOB or Access Card at check-in.

Check out is by 12pm unless arrangements have been made and approved by the housing manager in advance (fees applied)

**All room keys, access cards/fobs must be turned in at check out on the day of scheduled checkout.**

#### **How do I register and pay for housing?**

Completed housing request forms should be completed online and will be sent to our summer housing manager, on or before May 15th, at [matthews@udel.edu](mailto:matthews@udel.edu). Once your housing has been approved, you will receive a housing contract.

### **When will I be notified of my housing assignment?**

Housing for your event is arranged through UD Conferences Services. Once Conference Services has received the majority of housing contracts, groups will be placed accordingly. This generally occurs after May 15<sup>th</sup>. You will receive an email at the address provided with more information approximately 2 weeks prior to check-in.

### **What do most people do for meals or food?**

All programs purchasing dining hall meals or points (for main campus lunches only) may purchase them from the summer housing manager or their event manager (if conference event). We also have a small market, the POD (Provisions on Demand), available at variable hours.

Main Street also offers a vast array of dining choices as well as small grocery, convenience, and drug stores within walking distance.

**Refrigerators are not supplied during the summer.** If you need to rent a refrigerator, please contact 1-800-525-7307. The University does not accept any responsibility for acceptance or pick up of your refrigerators and refrigerators may not be delivered prior to your arrival and must be picked up prior to your departure. It is the responsibility of the person who rents the refrigerators to be sure that the refrigerator is removed prior to their departure. The University has someone moving in the room right behind you, so no access is given after departure.

### **What do you do about parking?**

For those living on campus, parking is available near the dorms. All parking must be obtained by purchasing a permit which would allow you access to lots near your assigned Residence Hall. Please call Parking Services at (302) 831-1184 or go to their website to obtain parking passes.

Visit Parking Services at <http://www.udel.edu/transportation/parking/permit-prices.html> to view lot locations and other types of available permits and pricing. Summer Programs are not eligible for Grey Passes.

**Parking meters are never free/University spaces are not to be parked in/  
handicap must be displaying handicap tag or license plate and must be registered with the University of Delaware.**

### **Is there a UD Shuttle Bus?**

Yes, UD has free shuttle buses that run from various locations on-campus. You can go to the link below for shuttle bus information. <http://www1.udel.edu/transportation/> Additionally, the bus routes can be accessed via *Doublemap* app, that can be downloaded on all types of phone devices. By allowing the app to use your location, you can choose "University of Delaware" route to find bus updates real time.

### **How do I travel to the University of Delaware by air or car and/or train?**

Arriving via Baltimore/Washington International (BWI) or Philadelphia International (PHL) airports will be similarly convenient. PHL is approximately one hour north while BWI is about one hour and 15 minutes south of the I-95 exits to campus. Choose travel to/from the airport that best suits your flight times and finances.

- Two train services are available to bring you to Delaware from PHL: SEPTA (South Eastern Pennsylvania Transportation Authority) and Amtrak.
  - Both rails arrive at the same station in Wilmington, DE, but have different costs.
- Amtrak train service runs full service to Wilmington, DE with limited service directly to Newark, DE.

For travel from the airports or train stations, we suggest Delaware Express at 800.648.5466 or [www.delexpress.com](http://www.delexpress.com). Delaware Express' one-way shuttle from PHL is significantly less expensive than the shuttle from BWI due to their expanded fleet for the PHL-UD run. Mention that you are a UD student for an approximate 5% discount. You do not need to show an ID to get this discount.

There are several rental car companies located near campus: Hertz and Enterprise.

Uber & Lyft are also widely available in the area.

**Do you recommend having a car while on campus?**

Cars can be helpful for things like larger grocery store shopping, department and mall shopping and weekend trips; otherwise, all essentials can be found within walking distance. There is plenty to do on Main Street so you shouldn't feel the need to escape to find entertainment. Outdoor tennis, volleyball, and basketball courts are available for use.

**What type of weather should I expect in Delaware in the summer?**

Expect generally humid mornings with afternoon temperatures in the mid-high 80's. You should have comfortable evening temperatures. We recommend packing for occasional rain.

**What else might I pack or plan to purchase on Main Street upon arrival?**

- Hangers
- Sheets (twin xl)
- Reading Lamp
- Blanket
- Surge protector
- Backpack
- Pillow
- Shampoo, soap and other toiletries
- Laundry Basket & detergent
- Bathroom Cleaning Supplies
- Toilet Paper (although you can get more from the Summer Housing Office)
- Towels
